NO NAME
"The Brave Servant"

"I Will Speak Up & Say What's Right!"

"...speak the truth in love, growing in every way more and more like Christ..." - Ephesians 4:15

SAY:

Sometimes it can be scary to speak up when you're not so sure if anyone will listen. We may even feel afraid to talk about God because we worry what others will say. Naaman's servant decided it was worth it to speak up, and when she did, it made a HUGE impact!

READ:

2 Kings 5

DISCUSS:

- Who was the commander of the army?
- Who "spoke up" and told Naaman what to do about his sickness?
- What sickness did Naaman have?
- What was the name of the prophet Naaman went to visit?
- How many times did Naaman wash in the river before he was healed?

SAY:

Because of the servant's courage, Naaman was healed. If she had not spoken up, Naaman's healing might never have happened. Just like she spoke up and told Naaman the truth about what could save him, we must speak up and tell our friends about Jesus.

When we speak up, others will be saved. God will use our words to help others!

PRAY:

Pray for your children to be full of God's power and courage to speak up and tell others about Jesus. Have them think about one person that they can "speak up" to this week. Pray for that person to be receptive to the truth when they share God's love with them.
